

# INTERNSHIP AVAILABLE

QC Analytical Services, LLC, is a full service commercial testing certified laboratory. Through our internship program, we give chemistry, biochemistry and biology students a chance to develop the experience and on-the-job skills for future challenging job opportunities in science laboratories.

Internship is paid, 12 hours per week to fit student's schedule. Limited openings are available year-round.

Interested students may contact  
**Dr. Randall Wanke at 563-289-3373**  
**or email [wanke@qcanalytical.net](mailto:wanke@qcanalytical.net)**  
for more information.
